CORE VALUES

We believe in...

Character: MECO Canada is an interdenominational, non-profit charity that is dependent on God for guidance and direction. As we carry out our work, we do so as unto the Lord.

Authority of Scripture: We seek to conduct our lives and our work according to the teaching of the Bible.

Servanthood: We seek to live out Philippians 2: 3-8:

- To do nothing out of selfish ambition or vain conceit
- In humility to value others above ourselves
- Not looking to our own interests but to the interests of others
- In relationships with others having the same attitude of mind as Christ Jesus had; taking on the nature of a servant and being obedient to the Father in all things

Dependence on God: We look to God in prayer, both corporately and individually, to lead us to the work He wants us to do and to provide the resources to carry out that work. We also recognize that the fruit of our labour is His to provide and we may never see it in our lifetime.

Strategy for Service: We are committed to working in alliance not only with Churches and Christians but also with other agencies.

Christian Compassion: We demonstrate compassion for others by sharing the Good News we have received from Jesus and through offering practical help.

Training and Development: We believe in the need to be well trained professionally and biblically, and that training must be ongoing. We also believe that language acquisition – Arabic, Kurdish, etc., must be a priority when serving in the Middle East.

Consultation and Authority: The leadership of MECO Canada – the Board, President, Field Leaders – prayerfully accept the leading of the Lord with regards to the calling and service of others within MECO Canada. Accordingly, it is expected that all those serving within MECO Canada will prayerfully accept the advice and respect the authority of those in leadership.
